Join the United Way of Moscow/Latah County as we Kick Off our 2011 Giving Campaign!

Feel great giving to United Way because we continually assess the social service needs of Moscow and Latah County.

We fund social service agencies that demonstrate success in serving those needs effectively.

We simply provide effective financial support for local organizations in YOUR community,
and serve as a focal point for accountability of the contributed funds.

Our goal for the Dash for Cash is to raise \$1,000 toward our 2011 Goal of \$70,000.

YOUR BUSINESS can support our community!

We welcome ANY contribution.
